Background:

Thinking CAP Trio is a "collaborative art project" based in Hampton Roads, VA formed by singer/songwriter Charlton Adam Phaneuf. Focusing on an original sound, yet playing to the crowd, they have a plethora of material to draw from. The trio has entertained as house-band in touristy bars to supporting acts in concert halls. They've proven themselves as dynamic musicians and well received in regional media since releasing their self produced ep "spoon-fed hed". (available on itunes, CDBaby, Amazon & more
