Background:

Just as Zechariah praised God through song, we as "Zechariah's Song" wish to serve the Lord; not just through music, but in every area of our lives. Yes Zechariah praised the lord, but that isn't the whole story ... In Luke 1, Zechariah was told he and his wife (Elizabeth) were to have a child. Shocked by this miracle because of their old age, Zechariah argued with the Lord. Therefore he was stripped of his ability to speak, due to his sin of doubt. He remained mute until his son's (John the Baptist) birth, at which time he regained his voice, enabling him to write a song foretelling the prophesies his son would fulfill for the coming of Jesus.
